Customer Reviews

I have suffered from back pain for over 30 years. It gets particularly bad when I do heavy work, like lifting, etc. Believe it or not, within two days of doing these exercises, my back pain is almost completely gone. I can't believe it. I will continue to go to the chiropractor for "maintenance" visits, but yesterday I walked three miles with no pain whatsoever. Thank you, Mr. Smith!

I use this book whenever I experience back pain from lifting or bending. It especially helped me after I had a fall and pinched a nerve in my thoracic and lumbar spine. I would recommend this book to anyone who needs to relieve chronic back pain or anyone who needs to strengthen the back muscles.
