Customer Reviews

Dear David; thank you for sharing your story. Prior to making this purchase I searched for information about you and this book on the web but didn't find really anything so I took a chance and ordered it. Lucky me. Although I have none of the ailments described on the book's cover, I am surrounded by family and friends whose story could fit like a puzzle piece into yours. I truly hoped it contained useful information. Boy did you deliver. I will refrain from giving away your method for healing yourself. It took me by surprise; happily took me by surprise that is like a breath of fresh air. Isn't the human body amazing? What you did to heal yourself and reclaim your life was so simple, yet few will be willing to try it. All you can do is lead by example. I hope millions of people around the world discover this book, apply the information, and reclaim their health.
