# Medical School Interviews: A Practical Guide To Help You Get That Place At Medical School - Over 150 Questions Analysed

## Synopsis

This 2nd edition of the UK's best selling book on medical school interviews contains up to date information on NHS current issues and extensive advice on how to handle MMI-style interviews. This book presents an in-depth look at over 150 medical school interview questions. The book provides you with techniques to address the various types of questions, analyses good and bad examples of answers, teaches you how to add depth to your answers and how to answer those difficult ethical scenarios and lateral thinking questions. If someone asked you: Why medicine? or What are the qualities of a good doctor? Would you crumble or would you respond with the same old cliche as the next candidate? How about: What makes a good team player? Are you a leader or a follower? Should alcoholics receive liver transplants? Was it a good idea to send a man to the moon? --This text refers to an out of print or unavailable edition of this title.

## Book Information

Paperback

Publisher: Isc Medical (1600)

Language: English

ISBN-10: 1905812043

ISBN-13: 978-1905812042

Product Dimensions: 5.8 x 0.7 x 8.2 inches

Shipping Weight: 14.9 ounces

Average Customer Review: 4.5 out of 5 starsÂ  [See all reviewsÂ \(2 customer reviews\)](#)

Best Sellers Rank: #3,138,878 in Books (See Top 100 in Books) #70 inÂ Books > Education & Teaching > Higher & Continuing Education > Medical School Guides

## Customer Reviews

Definitely helped me get into medical school. Helped me feel confident during interviews. Some of these same questions were used, and many were of a similar style/format.

Very useful
