Customer Reviews

Excellent, Valuable , Important, Great information written with intelligent intensity and knowledge on the importance of Nature's way of supplying Antioxidant vitamins. Nature's miraculous cell defenders and Herbal Antioxidants. Relationship between antioxidants and herbals and possible effects in the prevention and possible reduction of the intensity of a Cancerous condition, HIV and other illnesses. Half of the book is a cookbook describing simple to make nutritional meals, side dishes, breads, sauces, salads and desserts. With important nutritional breakdown of the meal. An important book for health conscious people who spread the word.

What a fantastic book. I have already done a lot of recipes. Michael Savage is the man who really knows his stuff as he has a Ph.D. and I am so happy to have this book.

Love this book

Michael Weiner (Savage) really knows his stuff. This cookbook has many affordable and delicious recipes for anyone. Worth every cent!
