# 4th Grade Reading Comprehension Success: Activities, Exercises, And Tips To Help Catch Up, Keep Up, And Get Ahead (Sylvan Language Arts Workbooks)

## Synopsis

Good reading skills are essential not only for fourth-grade academic success, but also for lifelong learning. The teacher-reviewed, curriculum-based activities and exercises in this workbook will help your children catch up, keep up, and get ahead. Best of all, they<sup>™</sup>ll have lots of fun doing it! Some of the great features you<sup>™</sup>ll find inside are: **READ BETWEEN THE LINES** Do-it-yourself essays on games, camping trips, and more teach kids how to grasp inferences within a story. **COMPARE & CONTRAST** Diagrams show how to figure out what similar subjects such as "comets or asteroids?" have in common and how to tell them apart. **FACT & OPINION** Interesting articles help kids back up opinions with facts from the text on topics such as "Should kids have cell phones?" **QUESTION BUSTERS** Right There and Think-and-Search questions explain how to find the answers to straightforward and not-so-straightforward questions about a story. **STORY PLAN** Fill-in-the-blank sections aid in building story structure, including setting, main characters, problems, and solutions. Plus! **CHECK IT! STRIPS** Reinforce concepts and build confidence as kids check their own work. Give your child<sup>™</sup>s grades and confidence a boost with 4th Grade Reading Comprehension Success. Why Sylvan Learning Products Work<sup>®</sup> Sylvan Learning Workbooks won a Honors Award from the National Parenting Publications Awards (NAPPA) as a top book series for children in the elementary-aged category. ## Customer Reviews

I bought this book after attempting, without success, to help my granddaughter comprehend what she reads. We spent the summer months doing the activities. which are easy to understand and FUN. At the end of summer. I felt my granddaughter was in a better position to be successful in the 5th grade. She learned HOW to read. I recommend this book to any parent/caregiver who cannot afford to put their child in the actual Sylvan learning centers.

My grandsons were struggling a bit with reading comprehension and writing summaries or book reports after reading assigned work. This workbook helped them learn how to pay attention to key points, to write a decent summary, and to be able to compose a short book report based on whatever works they read. Great book!!

Really helped my daughter prepare for forth grade. Since she was really struggling in Lang Arts in the third grade I bought this book (with another book) over the summer to give her a head start on forth grade and now though the first quarter and a half she is maintaining a solid B average.

My daughter struggles with reading comprehension, so this book was literally just what we needed. We homeschool, and Sylvan books fit our style perfectly. This book is tough, but not too hard for her to do on her own, which suits her learning style. I highly recommend this to anyone who needs help in this area, not just homeschoolers.

I ordered this book for my granddaughter who had been struggling with reading comprehension. I found this book make learning fun, and for her to get the idea of how to read a book and remember what she had read was truly amazing. I would recommend this book. Our order was received when they said and it was like new. I am very pleased with my purchase.

I got this for my son to keep up with his studies during summer break. He does a few pages a day in the morning. I love how easy it is for him to understand his work and what he is doing. It breaks it down for him and he barely ever needs mine or my husband's help.

Worked on this book through summer to prepare for next grade. Did one or two lessons per day. Kiddo seemed to be interested and this book actually helped with comprehending and learning about how to remember details.

excellent condition, great use for my school ager especially on those days he is without home work. I definitely recommend using supplements in addition to the material they use @ school for superior grades
