2.5 Minute Ride And 101 Humiliating Stories

Synopsis

This book collects Lisa Kron's two extraordinary solo performance works. Best known for her ongoing work as a member of The Five Lesbian Brothers, Kron's solo pieces are very personal examinations of both herself and her family history. This is singularly clear in 2.5 Minute Ride, where her writing deftly maneuvers between the tragic drama of the Holocaust and the wry comedy of her family's attempts to pursue pleasure at the local amusement park. This critically acclaimed work played to sold out audience for over six months at New York's Public Theatre. Also included is the riotous 101 Humiliating Stories, which first premiered in 1993, and in fact only consists of seventeen tales but each, as the author observes, has several humiliations. It recounts the adventures and misadventures of a self-described Big Lesbian as she tests the boundaries of decorum in social and professional situations.

She brought back many bitter-sweet memories for me and I am very excited about her work.
